Position Available - Landscape Installations & Maintenance manager

Our company is based in Paarl and covers most of the Boland area. We are seeking a **passionate hands on** and motivated maintenance and landscape installations manager.

Qualifications and Experience

- Minimum horticultural or landscape qualification
- Minimum 2 - 3 years experience
- CAD literate
- Valid drivers licence
- LIA certificate would be an advantage

Key performance areas

- Good design appreciation
- Hard Landscaping installation & BOQ
- Good client relationship building and staff management skills
- Good knowledge of site management principals, procedures and systems
- Good plant, pesticide, herbicide, fertilizer and application knowledge
- Good planning and administration skills

Remuneration

Salary is negotiable depending on experience. Company cell phone allowance and vehicle would form part of the package.

Please send CV to werner@futuregrowthsa.co.za
Qualifying candidates will be contacted for an interview.
